Vera Bradley's "Weekender" bag in its signature Breast Cancer print, Modern Medley, was featured as the #1 item in Elle Magazine's "19 Things You Can Buy To Support the Fight Against Breast Cancer." Elle notes, "The Vera Bradley Foundation for Breast Cancer has raised \$30 million dollars to date to fund research efforts through fundraisers and events held throughout the year. In addition to this major feat, the brand launches a pattern every year to help raise awareness, and this season it's a sweet patchwork print."
