

Vera Bradley + Sword and Plough Announce Exclusive Collaboration

Nov 11, 2019

Limited edition, USA-made mini-collection to debut on the 100th anniversary of Veterans Day this November 11th

FORT WAYNE, Ind. and DENVER, Nov. 11, 2019 (GLOBE NEWSWIRE) -- Two iconic brands, Vera Bradley, Inc. (Nasdaq: VRA; the "Company") and Sword & Plough, have partnered to create an exclusive, limited-edition collection that will debut on November 11, 2019, Veterans Day.

The two companies partnered to create the Vera Bradley + Sword & Plough mini-collection, consisting of a backpack and coordinating zippered pouch. The backpack features Sword & Plough's signature olive green and is crafted from durable cotton canvas and military surplus twill on the exterior, with the interior and exterior trim in Vera Bradley's "Java Navy." Java Navy is a re-coloration of the Company's all-time best selling pattern, "Java Blue," and is a floral motif with blues, olive, and cream on a navy background. The zippered pouch features Vera Bradley's signature cotton in Java Navy on the outside and cotton canvas on the inside. Both items are manufactured in the USA and support Sword & Plough's work with American manufacturers owned or partially owned by U.S. veterans.

Rob Wallstrom, Chief Executive Officer of Vera Bradley, noted, "We are thrilled to collaborate with Sword & Plough, a company we greatly admire, both for its mission and for its fantastic products. I know Vera Bradley and Sword & Plough fans will love both the backpack and zippered pouch – they are a great combination of fashion, function, and fun."

Betsy Núñez, Co-Founder and Chief Operating Officer of Sword & Plough, added, "We are so excited to partner with Vera Bradley, a women-founded company whose values align so closely with our own, and a company with which we have a deep connection. Emily's and my first interactions with handbags and totes as children were Vera Bradley bags! Our mother, a military spouse, sold Vera Bradley in her shop at West Point, New York while our father was a U.S. Army officer and professor at the United States Military Academy at West Point."

The limited edition Vera Bradley + Sword & Plough mini-collection will be offered exclusively on verabradley.com and swordandplough.com.

In conjunction with Vera Bradley's collaboration with Sword & Plough, the Company has pledged a \$10,000 donation to The Mission Continues Women Veterans Leadership Summit ("WVLS"). The WVLS is part of an ongoing national conversation for women veterans, empowering and equipping these women to lead a movement that inspires community change efforts and advancement towards equality. Each year, WVLS brings together the voices and insights of a diverse range of female luminaries from the worlds of business, philanthropy, entertainment, and politics.
